JOIN THE WASHINGTON GLADIOLUS SOCIETY.

The Washington Gladiolus Society, affiliated with the American Gladiolus Society, extends to all amateur and commercial growers in the state a cordial invitation to become a member. As a member you will receive the monthly magazine of the American Gladiolus Society, as issued. This magazine deals with the care and culture of the gladiolus, comments on new varieties, reviews of the principal shows of the world, articles by well known growers, etc. The magazine alone is well worth the price of the membership.

The membership fee is \$2.00 a year. Send your remittance to the state secretary, Mr J. C. Lodge, 932 Ridgewood, Tacoma, Wash. If you prefer, you may send your remittance to me and I will forward it to the society.

All commercial growers in the state should actively support this society, as it is working toward increasing the popularity of the gladiolus, and by so doing is helping to increase the sales of every grower in the state, as well as in other states.

Amateurs and growers in other states should join the society in their own state. If you havnt the address of your state secretary, I will be glad to send it to you upon request.
